

# Get new hires to work faster with streamlined I-9s

High-volume hiring presents unique challenges for staffing agencies. To stay competitive, agencies need to engage candidates quickly, onboard efficiently, and process documents accurately. WorkBright's Smart I-9 solution streamlines this process, with new hires completing I-9s in under 10 minutes—getting them to work and making an impact faster.

## The impact of an optimized I-9 process

**< 10-minute I-9s**

Candidates speed through their I-9s with WorkBright's patented, remote, mobile-friendly process.

**80% less admin time**

Automation, integrations, and text notifications save admin time, letting your team focus on what matters.

**80% fewer errors**

Prevent I-9 errors with advanced verification and smart field checks to reduce fraud risks.

**+12% completion**

Higher completion rates result in quicker placements, giving your agency a competitive edge.

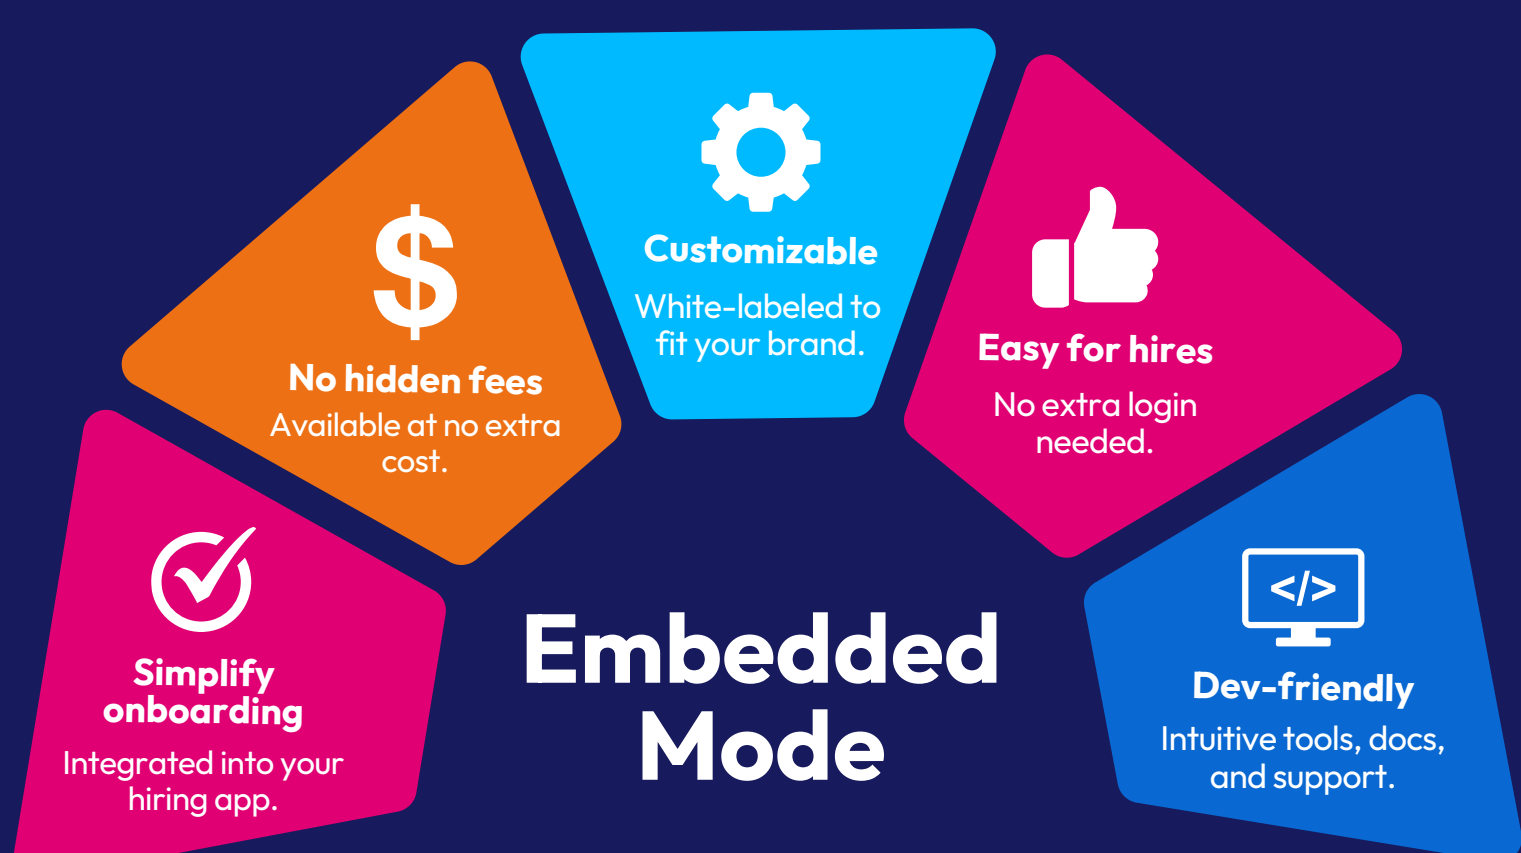

### Did you know?

WorkBright has processed millions of I-9s with zero audit fines by adhering to top compliance standards like E-Verify and USCIS guidelines.

## Create a unified experience

Create a user-friendly experience using Embedded Mode, an easy way to integrate WorkBright into your existing tech stack.

## Quick, easy, compliant I-9s
