(“**ABIWW**”) and Anheuser-Busch Companies, LLC (“**ABC**”, and together with AB InBev and ABIWW, the “**Companies**”) to purchase for cash any validly tendered (and not validly withdrawn) and accepted notes up to an aggregate purchase price (excluding accrued and unpaid interest) of USD 2 billion (such amount, as the same may be increased or decreased, the “**Offer Cap**”) of (i) three series of EUR notes issued by AB InBev (the “**EUR Notes**”) and (ii) one series of USD notes issued by ABIWW and ABC and one series of USD notes issued by ABIWW (collectively, the “**USD Notes**”, and together with the EUR Notes, the “**Notes**”) as described in the table below (the “**Tender Offers**”).

The Tender Offers are being made upon the terms and subject to the conditions set forth in the offer to purchase dated 19 March 2024 (the “**Offer to Purchase**”). Terms not defined in this announcement have the meanings given to them in the Offer to Purchase. Copies of the Offer to Purchase are available to holders through the information agent, Global Bondholder Services Corporation, at its website <https://gbsc-usa.com/registration/abi> or by calling +1 (855) 654-2014 (toll free) or +1 212-430-3774 (for banks and brokers).

Upon the terms and subject to the conditions set forth in the Offer to Purchase, each of AB InBev, ABIWW and ABC is offering to purchase, up to the Offer Cap, the Notes issued by it set forth in the table below, subject to the Acceptance Priority Levels (as defined below). Notes purchased in the Tender Offers will be retired and cancelled.

- (a) The offers with respect to the Notes are subject to an Offer Cap equal to an aggregate purchase price (excluding accrued interest) of up to \$2,000,000,000, subject to the terms and conditions described in the Offer to Purchase.
- (b) We will accept Notes in the order of their respective Acceptance Priority Level specified in the table above (each, an “**Acceptance Priority Level**”, with “1” being the highest Acceptance Priority Level and “5” being the lowest Acceptance Priority Level), subject to the terms and conditions described in the Offer to Purchase.
- (c) The applicable Reference Security will be used to calculate the applicable Total Consideration (as defined below) payable for each series of USD Notes, and the applicable Interpolated Mid-Swap Rate will be used to calculate the applicable Total Consideration payable for each series of EUR Notes. The Total Consideration payable pursuant to the Tender Offers will be calculated and determined as set forth in the Offer to Purchase.
- (d) The applicable Fixed Spread will be used to calculate the applicable Total Consideration payable for each series of Notes, which already includes the Early Tender Payment. The Total Consideration payable pursuant to the Tender Offers will be calculated and determined as set forth in the Offer to Purchase.

- (e) Payable in cash per each \$1,000 or €1,000 principal amount, as applicable, of the specified series of Notes validly tendered and not validly withdrawn at or prior to the Early Tender Time and accepted for purchase. The Total Consideration, when calculated and determined in the manner set forth in the Offer to Purchase, already includes the Early Tender Payment.
- (f) The EUR Notes are fully and unconditionally guaranteed by ABC, ABIWW, Anheuser-Busch InBev Finance Inc., Brandbev S.à r.l., Brandbrew S.A. and Cobrew NV (the "Guarantors"). The USD Notes are fully and unconditionally guaranteed by AB InBev and certain of its direct and indirect subsidiaries.
- (g) The \$2,254,500,000 aggregate outstanding principal amount of 3.650% Notes due 2026 issued by ABIWW and ABC consists of (i) \$2,155,703,000 outstanding principal amount of 3.650% Notes due 2026 issued by ABIWW and ABC (US03522AAG58/03522AAG5) and (ii) \$98,797,000 outstanding principal amount of 3.650% Notes due 2026 issued by ABIWW and ABC (144A: US03522AAD28/03522AAD2 & Reg S: USU00323AD40/U00323AD4).

The Tender Offers for the Notes will expire at 5:00 p.m., New York City time, on 17 April 2024 (the "**Expiration Time**"), or, in each case, any other date and time to which the Companies extend the applicable Tender Offer. Holders must validly tender their Notes prior to 5:00 p.m., New York City time, on 2 April 2024 (such date and time, as it may be extended with respect to a series of Notes, the "**Early Tender Time**"), to be eligible to receive the applicable Total Consideration (as defined below) which already includes an amount in cash (the "**Early Tender Payment**") equal to the applicable amount set forth in the table above under the heading "Early Tender Payment", plus accrued interest. If Holders validly tender their Notes after the Early Tender Time but at or prior to the applicable Expiration Time, Holders will only be eligible to receive the applicable Tender Offer Consideration plus accrued interest.

Notes tendered may be withdrawn at any time prior to, but not after, 5:00 p.m., New York City time, on 2 April 2024 (such date and time, as it may be extended with respect to a series of Notes, the "**Withdrawal Deadline**"). The Tender Offers are subject to the satisfaction of certain conditions, as set forth in the Offer to Purchase; these conditions include the "**Financing Condition**", meaning the completion by any of the Companies of one or more offerings of new debt securities that close no later than the Expiration Time on terms satisfactory to the Companies (in their discretion), including but not limited to the amount of net proceeds raised by such offerings being sufficient, in the aggregate, to effect the repurchase of the Notes validly tendered and accepted for purchase pursuant to the Tender Offers.

The Companies will only accept for purchase Notes up to an aggregate purchase price (excluding accrued interest) that will not exceed the Offer Cap. To determine whether the Offer Cap has been reached, the Offerors will first convert the aggregate purchase price for the EUR Notes validly tendered into U.S. Dollars in the manner described in the Offer to Purchase. Subject to applicable law, the Companies reserve the right, but are under no obligation, to increase or decrease the Offer Cap in respect of the Tender Offers at any time (without extending the Withdrawal Deadline or otherwise reinstating withdrawal rights of Holders), which could result in the Companies purchasing a greater aggregate principal amount of Notes in the Tender Offers. As more fully described in the Offer to Purchase, if the aggregate purchase price for the Notes validly tendered prior to the Early Tender Time exceeds the Offer Cap, subject to the Financing Condition the Offerors intend (but are not obligated to) to increase the Offer Cap by some or all of the amount of such excess, provided it will not be increased by more than \$500,000,000 to a maximum amount of \$2,500,000,000.

The purchase of any series of Notes is not conditioned upon the purchase of any other series of Notes. Any Notes validly tendered and not validly withdrawn in the Tender Offers and accepted for purchase will be purchased by the Companies based on the Offer Cap and the acceptance priority levels noted above (the "**Acceptance Priority Levels**"), each as more fully described in the Offer to Purchase. If the purchase of all validly tendered Notes would result in an aggregate purchase price greater than the Offer Cap, then the Tender Offers will be oversubscribed and if the Companies accept Notes in the Tender Offers, any Notes accepted for purchase in the lowest Acceptance Priority Level in which Notes are accepted for purchase will be accepted for tender on a prorated basis. For the avoidance of doubt, Notes tendered prior to or at the Early Tender Time will have priority over Notes tendered after the Early Tender Time, regardless of the Acceptance Priority Levels. If the Offer Cap is reached at the Early Tender Time, then no Notes tendered after the Early Tender Time will be purchased, unless the Companies increase the Offer Cap.

Holders of Notes that are validly tendered and not validly withdrawn at or prior to the Early Tender Time and that are accepted for purchase will receive the applicable “Total Consideration”, which already includes the Early Tender Payment for the applicable series of Notes set forth in the table above.

Holders of any Notes that are validly tendered after the Early Tender Time but at or before the Expiration Time and that are accepted for purchase will receive the applicable Total Consideration minus the Early Tender Payment. The Total Consideration minus the Early Tender Payment is referred to as the “Tender Offer Consideration”.

Holders are advised to check with any bank, securities broker or other intermediary through which they hold their Notes as to when such intermediary needs to receive instructions from a holder in order for that holder to be able to participate in the Tender Offers before the deadlines specified herein and in the Offer to Purchase. The deadlines set by the clearing system for the submission and withdrawal of tender instructions will also be earlier than the relevant deadlines specified herein and in the Offer to Purchase.

Holders holding EUR Notes directly in the NBB-SSS or through a direct participant of the NBB-SSS (other than Euroclear or Clearstream, Luxembourg) must, in order to be eligible to participate in the EUR Tender Offers in the manner specified in the Offer to Purchase, (i) arrange for the EUR Notes which they wish to tender to be transferred to an account in either Euroclear or Clearstream, Luxembourg, and (ii) maintain, or where relevant, procure, access to an account in either Euroclear or Clearstream, Luxembourg through which such EUR Notes can be traded, and to which the Total Consideration or the Tender Offer Consideration (as applicable) and the applicable accrued interest payment may be credited by AB InBev.

Holders of EUR Notes who do not have access to an account, as described above, in either Euroclear or Clearstream, Luxembourg (either directly or through a direct participant or other intermediary), or who do not transfer the EUR Notes which they wish to tender to a direct participant in either clearing system, will not be able to submit a EUR Tender Instruction (as defined in the Offer to Purchase) to the Tender and Information Agent and will not be eligible to participate in the Tender Offers in the manner specified in the Offer to Purchase.

Any Holder of EUR Notes who (i) holds its EUR Notes directly, or through a direct participant of the NBB-SSS, in an “N account” within the NBB-SSS, (ii) is not eligible, in accordance with Article 4 of the Belgian Royal Decree of 26 May 1994, to hold its Notes (directly or indirectly) in an “X account” within the NBB-SSS, and who is therefore unable to transfer the relevant Notes to an account in either Euroclear or Clearstream, Luxembourg and (iii) who is eligible to view the Offer to Purchase and make an investment decision with respect to the Tender Offers, may contact the Tender and Information Agent for further information, using the contact details set out below.
