PROGRAM PURPOSE

Prophet Muhammad (pbuh) was an orphan and looked after orphans as Allah has commanded.

Prophet Muhammad (pbuh) said:
“Myself and the caretaker of an orphan will be in Paradise like this,” and he held his two fingers together.

ORPHANS AROUND THE WORLD

Today, there are more than 150 million children who are vulnerable and without one or both parents; that special person who looks after them. Cares for them and provides the safety and comfort that only parents at times can give.

However, 1 in 5 children is still living in extreme poverty around the world, with no access to these basic necessities. Instead, their life is hard and they're faced with many challenges including disease, falling into child labor, illiteracy, the lifelong cycle of poverty, or in extreme cases – death.

153 million children worldwide are orphans with either one or no parent

An estimated 5,700 children become orphaned every single day.

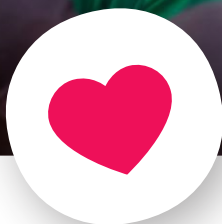

MATW'S RESPONSE

Alhamdulillah, within a matter of months, we've grown from caring for 1,000 orphans to caring for 5,000 orphans!

In Togo and Lebanon, we're building and managing orphan homes that care for children with no families and children with disabilities. In Bangladesh, we're feeding and providing education to thousands of children every single day. In Yemen we're protecting children from widespread disease like cholera.

None of this is possible without you.

OUR ORPHANS ARE GROWING

Alhamdulillah

MATW has established orphanages and orphan programs for over 5000 orphans around the world.
