

Gas South Marks Decade as Top Workplace in Atlanta

Leading natural gas provider ranks on prestigious list for tenth year

ATLANTA, Ga. (Aug.13, 2025) – Gas South, a leading natural gas provider, has earned its highest-ever ranking as one of the Atlanta’s top 15 mid-sized companies to work for.

This is the 15th year *The Atlanta Journal-Constitution* in partnership with Energage compiled the [Atlanta Top Workplaces](#) list using employee surveys to determine which workplaces provide the best employee experience, environment and company culture.

“For our team members to voice such support and appreciation for the work environment we’ve created at Gas South is an honor,” said Kevin Greiner, Gas South President and CEO. “Our people take great pride in supporting each other professionally and personally, and beyond that, making a real impact by giving back to nonprofits in our community, both financially and through volunteering.”

This year, more than 8,000 companies were nominated with only 175 making the AJC’s Top Workplaces list.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”

As Gas South approaches its 20th anniversary in 2026, the company continues to live out its purpose to *Be A Fuel For Good®*, serving nearly 500,000 customers across the Southeast, Mid-Atlantic, and Midwest.
