GOLF X CLASSIC

MARK YOUR CALENDARS!

For 29 years, community members have enjoyed a day of friendly golf and fun to support top patient priorities at Trillium Health Partners. Thanks to support from friends like you, the annual Golf Classic has raised more than \$3 million, a most impressive sum!

Primarily of interest to corporate donors, this annual tournament consists of 36 foursomes and includes 18-holes of golf with a cart, lunch, on-course activities, drink sampling, prizes and golfer gifts followed by a cocktail reception at the end of the day.

The sponsorship opportunities and benefits have been outlined in the following pages. We would also be happy to customize any sponsorship level to meet your business needs.

HELP US BUILD CANADA'S LARGEST HOSPITAL

Built in 1958, Mississauga Hospital has since grown into a major regional health care centre in Trillium Health Partners that offers programs such as cardiac health, stroke, neurosurgery, cancer care and more, providing a broad range of specialized, life-saving care for citizens of the West GTA. Although the hospital has expanded over time and continues to provide exceptional care to patients, our community is set to grow from 2.2 to 3.3 million residents by 2041. We need to accommodate further growth as the hospital standards have also evolved and, as the pandemic made it clear, we need a new, modern and much larger hospital to ensure everyone has access to the care they need, when they need it the most.

By participating in this year's Golf Classic tournament, your support will help Trillium Health Partners provide the crucial funds needed to build the largest and most advanced hospital in Canada, the future home of The Peter Gilgan Mississauga Hospital.

The new hospital will replace the existing 65-year old facility and a key part of Trillium Health Partner's plan to build a new kind of health care to serve the needs of our growing and increasingly diverse community. The Peter Gilgan Mississauga Hospital will boast over 950 beds, two-thirds more surgical capacity and one of the largest emergency departments in the province. It will also house Ontario's first Women's & Children's Hospital to provide highest standards of care in Maternal and Newborn Health, Children's Health and Women's Health.

That's why we need your support to "unlock" the required provincial government funding for our new hospital, while also supporting research and innovation to advance a new kind of health care for our community.

Your participation in this year's golf tournament will ensure Trillium Health Partners can continue providing patients with access to state-of-the-art equipment today and far into the future.

Please join us on the green and help us build a new kind of health care!
