

Certificate of Climate Contribution

It is hereby certified that

Once Upon Publishing AB

Have contributed to limit global warming by financing

**Biochar Removals 100y+ (139,4 ton CO₂e)
Gold Standard VER climate projects (1 742 ton CO₂e)
Naturarvet (30% of budget)**

The size of the contribution is based on an internal price of 1000 SEK per ton (approx. 100 EUR) for all greenhouse gas emissions emitted in the full value chain (Scope 1, 2 and 3) of the company. Through ClimateHero, a portfolio of certified projects is selected that strikes a balance between adding urgent funding to scaling up techniques for durable carbon removals, accelerating the phase-out of fossil fuels, and to protect and restore natural carbon sinks.
