Meet Kim Coffin

[@sweetredpoppy](#)

Meet Kim, the queen of cozy creations and DIY cheer! Whether you're a beginner elf or seasoned crafter, she'll teach you everything from sewing basics to the magic of making your own merry things.

DIY Customized Wooden Gift Tags

Create charming holiday gift tags with your Glowforge and some sheets of wood for a personalized, handmade touch. Paint each tag, add some ribbon, and attach them to your presents for a festive, custom look that's sure to stand out!

📺 Watch Kim's Reel on our [Instagram](#) to follow along!

1

Place a sheet of wood of your choice on the Glowforge bed, ensuring it's flat and secure. Open the Glowforge App, upload the gift tag design, position it to fit within the wood sheet, and begin cutting.

2

Carefully remove the tags from your Glowforge machine and place them on a flat surface. Paint each tag with acrylic craft paint and let them dry completely.

3

Add wooden letters or use a paint pen to customize your tags with names or phrases.

4

Guide a piece of ribbon through the hole and secure your handmade tag to your presents!

Crafting Cozy with Kim: A Winter Wonderland of Creativity

Crafting Setup

By the fire, wrapped in a soft blanket, surrounded by her cats, and with her Christmas tree twinkling in the background, Kim's setup is dreamy. A hot tea and a lightly scented candle complete the vibe.

Entertainment

Cheesy Hallmark movies are her go-to crafting background, paired with a festive Michael Bublé holiday playlist that adds to the magic.

Craft Fuel

Hosting a craft night? Kim brings out an impressive charcuterie board, perfect for snacking and crafting together.

Dream Projects

Right now, Kim's working on giant 6-foot hand-painted nutcrackers — a true labor of love and creativity!

Cozy Scent & Decor

She loves light, cozy scents like pumpkin spice, apple, and cinnamon and decorates with blankets, twinkle lights, and festive touches.

Crafting Quirk

Kim's sessions might look like a glitter explosion, but she's a master of cleaning up the craft hurricane!
