# WHO WE ARE

## SAN DIEGO SPIRITS

We're a distillery based in San Diego, CA (the first since prohibition). Operating in our pursuit of quality, we've developed an award-winning portfolio and are successfully pioneering a category.

## AWARDS & ACCOLADES

Cutwater has won over 2940 awards and counting! Our award-winning portfolio of bottles spirits includes: vodkas, gins, rums, whiskeys, tequilas, mezcals, and liqueurs. They are the liquid that make our canned cocktails taste so phenomenal.

## REAL PEOPLE & BIG IDEAS

Yuseff Cherney (Co-Founder and Master Distiller) began distilling as a side project in the back of his brewery. He started canning cocktails because he wanted to make the drinks he could enjoy while doing the things he likes to do. His idea took off...

## DISRUPTING WITH CANNED COCKTAILS

We are revolutionizing canned cocktails, focused on innovation and flavor with over 20 RTE options (and counting).

Each cocktail features our own premium distilled spirits & high-quality ingredients. The kind you would find in a bar, only in a can.
