Tidel S4e Low Capacity Note Dispenser

Tidel S4e Low Capacity Note Dispenser

The Tidel S4e Low Capacity Note Dispenser is designed for retail organizations that have a need to dispense notes throughout the day, using a secure and auditable process.

The Low Capacity Note dispenser supports up to four cassettes, with each cassette capable of storing up to 500 notes. The system has the capability to dispense 60 notes per minute.

Dispensing notes and accessing the note cassettes are completely auditable and managed by individual user PIN. Note dispensing limits can be set on a per individual basis.

The Low Capacity Note Dispenser measures 30.75" high, making it ideally suited to be placed under a retail store counter.
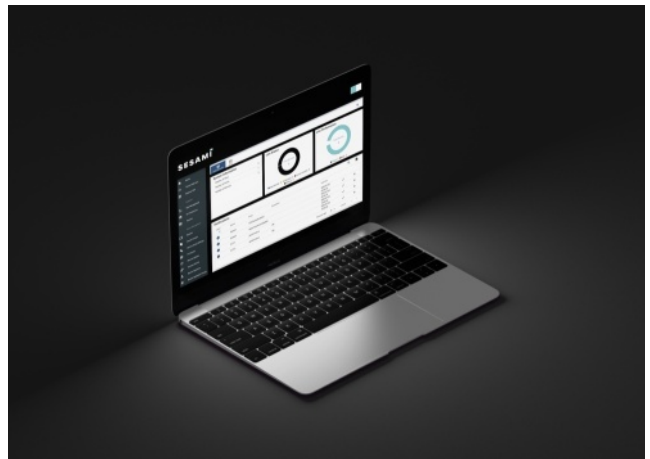

Benefits

Flexible

Reduce costs

Store safely

Modular Sesami Enterprise Software

Sesami Enterprise Software Platform (SES)

Sesami Enterprise Software Platform (SES) for deposit devices with endless capabilities to embrace the future.

Hyperconnectivity
Connects with several cloud environments, including third-party systems, in real time with encrypted communication Protocol and open VPN by default. Connected, secure and efficient.

Omnipresent Access
Manage upgrades and users for any component of the device without physically needing to be on site, reducing unnecessary visits. Increase productivity by accessing real-time data, and predictive maintenance and performance analysis, giving you flexible and intelligent control of your cash deposit devices.

Endless Adaptability
Designed to be flexible and modular, the Sesami Enterprise Software Platform adapts rapidly and efficiently with robust, long-term reliability, to your operations and individual needs.

Designed on a building block architecture with multiple configurations proven in the field.

Flexible workflow
Allows for multiple business models and licensing options. Live custom fields and configurable workflows are just some of the features of the Sesami Enterprise Software Platform, which adapt to your business goals.

Advanced Reporting
Track everything with our live tailored reports, including advanced reconciliation reports for deposit collection and end of day and advanced cash monitoring. Designed to give you total control of your business.

Choose from the full range of software modules, including modules for your finances and for your service operations.
