

SESAMi

Tidel S4 XL

**Adaptable, Fast, and Flexible Cash Management
System with Multiple Vault Options**

Tidel S4 XL

The Tidel S4 XL provides high capacity note storage by offering two XL (2,250 note) cassettes for a total capacity of 4,500 notes. The Tidel S4 XL is ideally suited for retail organizations that

deal with high cash volumes and want the flexibility and security of a higher capacity smart safe for their business.

Benefits

Flexible

Configurable

Reduce costs

Store safely

Modular Sesami
Enterprise
Software

Sesami Enterprise Software Platform (SES)

Sesami Enterprise Software Platform (SES) for deposit devices with endless capabilities to embrace the future.

Hyperconnectivity

Connects with several cloud environments, including third-party systems, in real time with encrypted communication Protocol and open VPN by default. Connected, secure and efficient.

Omnipresent Access

Manage upgrades and users for any component of the device without physically needing to be on site, reducing unnecessary visits. Increase productivity by accessing real-time data, and predictive maintenance and performance analysis, giving you flexible and intelligent control of your cash deposit devices.

Endless Adaptability

Designed to be flexible and modular, the Sesami Enterprise Software Platform adapts rapidly and efficiently with robust, long-term reliability, to your operations and individual needs.

Designed on a building block architecture with multiple configurations proven in the field.

Flexible workflow

Allows for multiple business models and licensing options. Live custom fields and configurable workflows are just some of the features of the Sesami Enterprise Software Platform, which adapt to your business goals.

Advanced Reporting

Track everything with our live tailored reports, including advanced reconciliation reports for deposit collection and end of day and advanced cash monitoring. Designed to give you total control of your business.

Choose from the full range of software modules, including modules for your finances and for your service operations.
