

Soltellus™ 2000L

Soltellus™ polymer is a water-soluble, biodegradable, multi-functional product that **binds to solid or liquid fertilizers to control the release of plant nutrients in the soil to increase crop yield**. Soltellus™ can also be used to mitigate the effects of hard water. When applied through irrigation systems, Soltellus™ also significantly reduces the accumulation of scale caused by hard water.

CONTAINS NONPLANT FOOD INGREDIENTS

Guaranteed Analysis

ACTIVE INGREDIENTS

L-aspartic acid, homopolymer, sodium salt	34%
Sodium aspartate	4%

INERT INGREDIENTS

Water	62%
-------	-----

Directions for Use:

Soltellus™ can be blended with liquid fertilizer or tank-mixed, applied in-furrow, side dress, or broadcast. The recommended application rate is 0.5 to 1.0 gallons Soltellus™/acre.

Dry/Particulate Fertilizers

Soltellus™ may be spray-blended with fertilizer and allowed to dry. Recommended rate: 0.5 to 1.0 gallons Soltellus™/acre.

Water conditioning applications

To mitigate the effects of hard water on other agrochemicals, Soltellus™ may be added to source water at the rate of 1 gallon per 100 gallons of water. For maximum conditioning, Soltellus™ must be added to the hard water and properly mixed prior to the addition of other products.

Fertigation/Irrigation Systems

Soltellus™ can be directly injected into the system with a recommended concentration of ~50 parts per million (1 gallon Soltellus™/10,000 gallons water).

Handling and Storage

Store product in original packaging only. Keep the container closed when not in use and take care to prevent any water from being introduced to the contents of the container. The product is non-flammable.

Warranty

Lygos guarantees satisfactory product performance when used before the expiration date and applied under the manufacturer's specifications or the purchase price will be refunded. A Lygos representative must be notified of any field complaint within fifty (50) days after applying the product. Lygos assumes no responsibility for crop loss or partial loss from any cause whatsoever. This limited warranty is in lieu of all other warranties expressed or implied. The limited warranty is VOID where prohibited by law. If you have any questions about this product or any other Lygos products, call (510) 356-0555 for assistance.
