

**writing prompts for kids
that are (actually) fun!**

What if I told you...?

Think someone is kinda cool?!
Write them a note or card telling them
why (and totally make their day!)

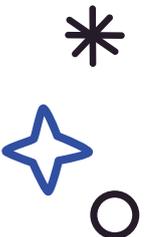

YOU'RE COOL!

AMAZING!

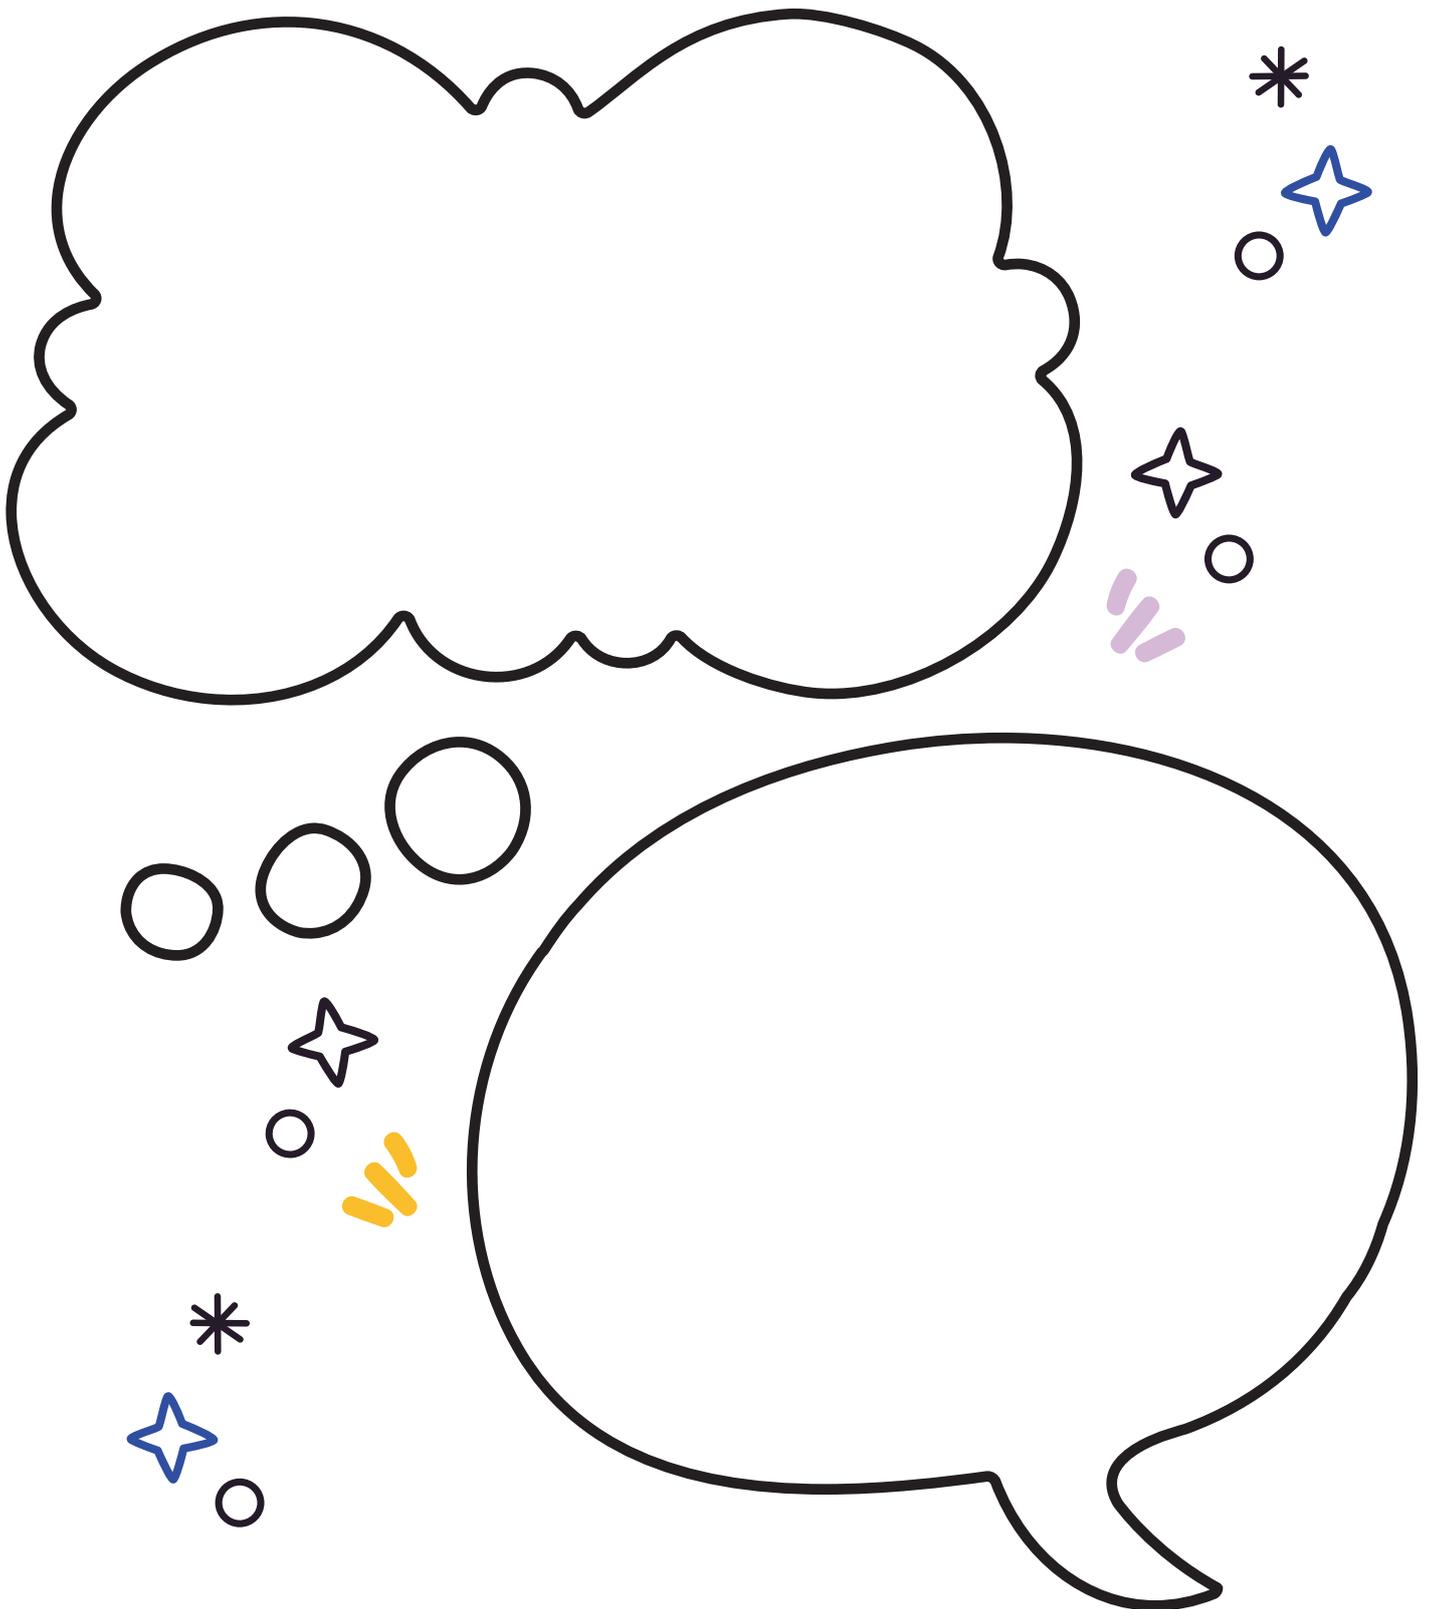

You know what (eye) think?

What did you see this week that was really funny, interesting, silly or crazy?

A large, empty rounded rectangle with a black border, intended for drawing a response to the question above.

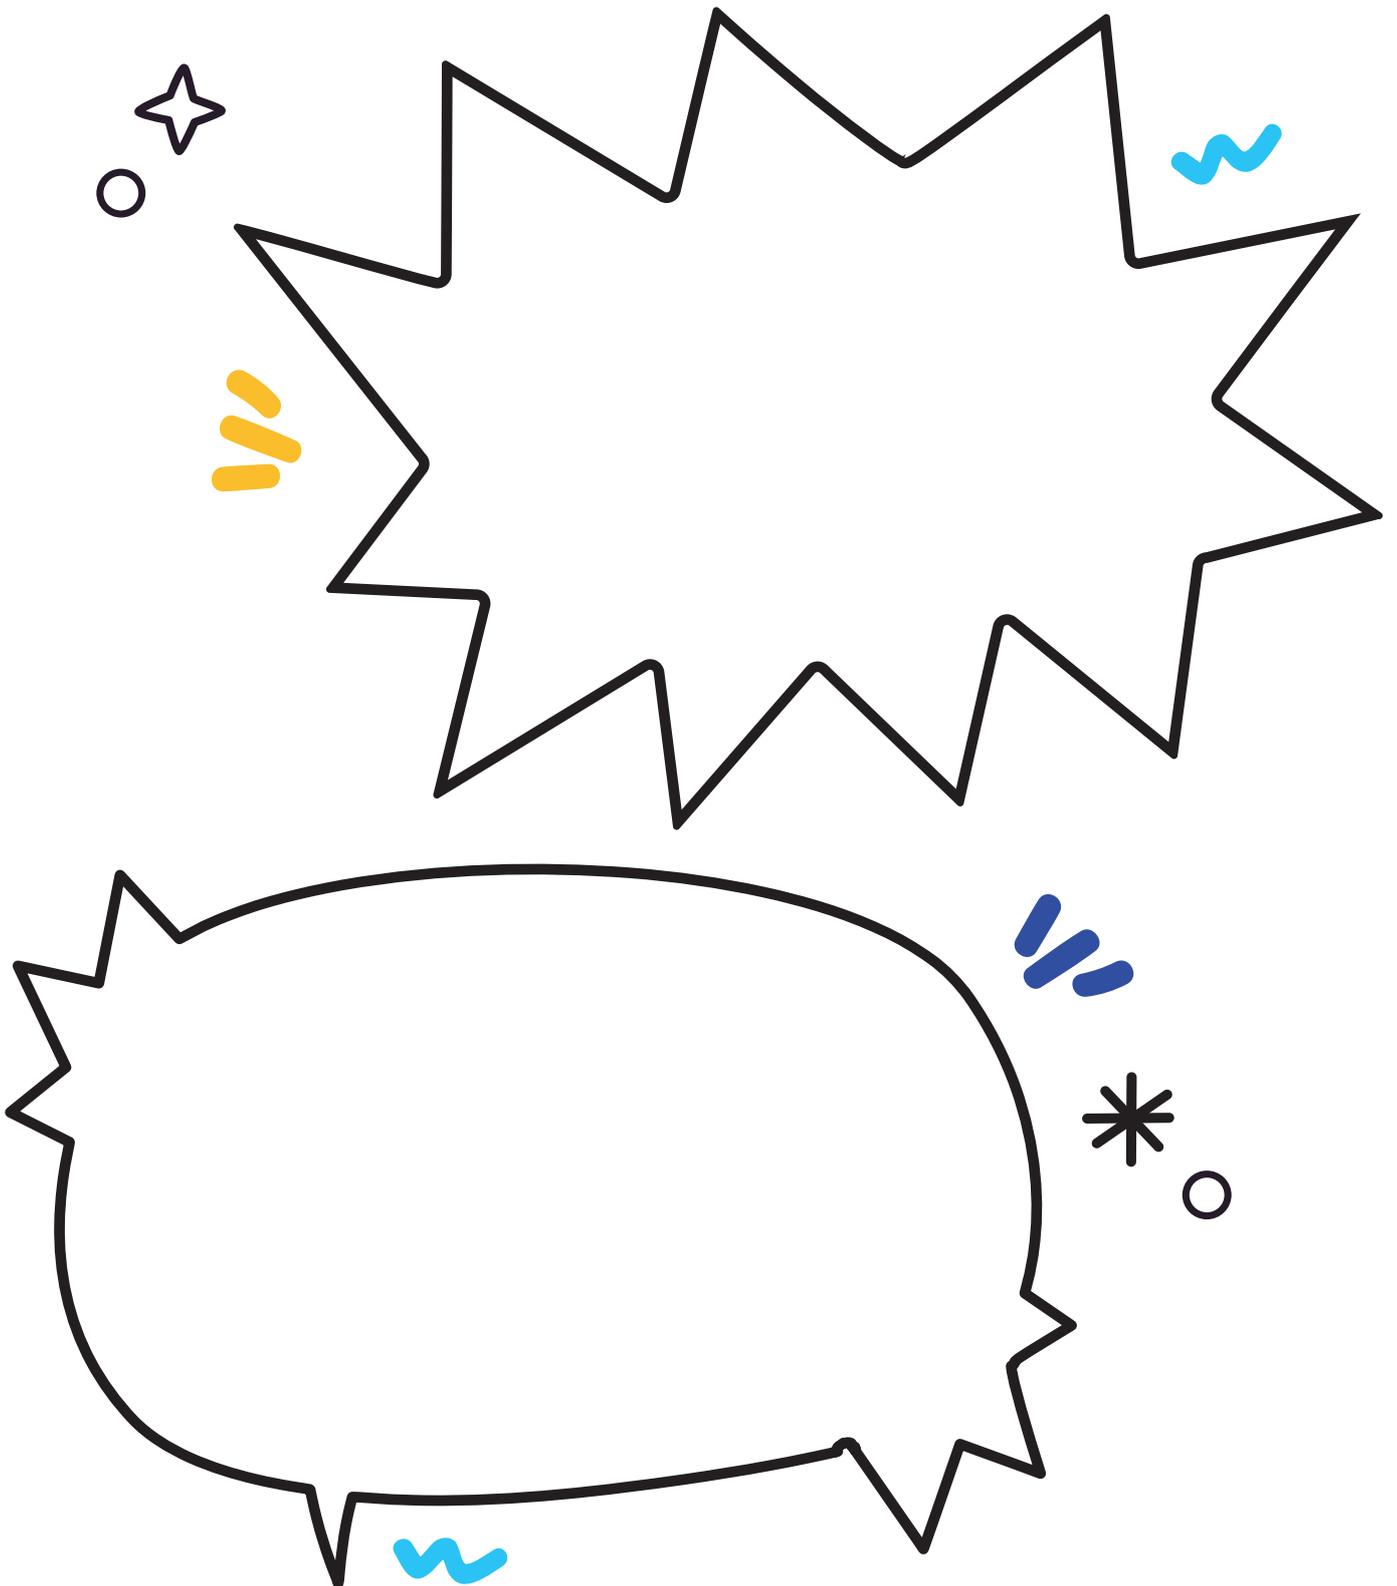

Here's a thought...

If there was one cool invention you could share, what would it be? Even better, add an illustration!

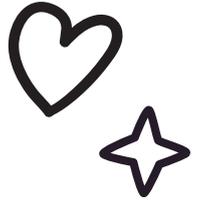

It's a cracker!

Have you heard of or come up with a funny joke that made you LoL? What is it?!

Kindness is King

What special act of kindness have you seen or done this week? Is there something kind you can do for someone else?

Four horizontal lines for writing inside a rounded rectangular box.

Four horizontal lines for writing inside a rounded rectangular box.

Imagine That!

If you could transport to a magical land,
where would it be and what would it look like?
What would you do there?
