

PIE INSURANCE

Finally, workers' comp insurance is as easy as pie **for franchises.**

Franchise owners need workers' comp insurance to help protect your company and employees. Pie has designed everything from quote to claim with you in mind.

Coverage made exclusively for franchises.

Simple

Easy to understand and use

Affordable

Competitive rates to save you up to 30%

Trusted

AM Best A- rated for your financial protection

Home service franchises need a partner that looks closely at your operations, and understands that the risk is similar across locations to streamline the underwriting process and reduce barriers to meet your unique needs. Pie delivers both with our data-driven approach—you might call it our recipe for success.

No hidden fees

Transparent pricing with no surprises

Friendly and helpful customer service

Reach us by phone or email

Convenient payment options

Monthly, quarterly, semi-annual, annual, and Pay-as-you-go

Easy renewal process

Continue your coverage with no interruptions

We're proud to be rated **Excellent** on **Trustpilot** by our customers

- “ It was a simple and fast process - I got exactly what I was looking for and at a great price. ”
- “ Although I have a small business in terms of number of employees and policy size, they make me feel valued, and that is a testament to your company and how it values its clients. ”
- “ My experience with Pie has been very positive. All of the employees have been personable, polite, professional, patient, in addition to being knowledgeable. ”
