PM-156A

THE MULTIFUNCTIONAL DISPLAY

The PM-156A is a stylish and modern POS monitor. With its 15.6" widescreen display it can be either used as a customer display or with its optional 10-point PCAP touch as a POS monitor. Its light weight and thin aluminum housing is ideal for a variety of installation environments. It fits perfectly in many business areas such as retail, hospitality and many more. Customer information or advertising become a more and more increasing demand in many business cases. The PM-156A can be attached as a 2nd monitor on many of our POS terminals or can be used as a stand-alone version. With the VESA 75 x 75 mounting compability it can be installed on the optional Zig-Zag stand or on our retail base poles.
