

CD-101C CUSTOMER DISPLAY

CUSTOMER DISPLAY ALTERNATIVE CHOICE

The CD-101C is a 10.1" display, which has a stylish and modern bezel-free design.

It can be applied as a second, customer-facing display in retail environments. or use it as the main display for applications requiring a small screen. Through the pole stand the monitor is adjustable and can be fixed easily in the required position convenient for the customers.

Via USB interface the video signal as well as the one for power (5V) is applied. This cost and the space-saving display include a VESA mount for flexible installation.

SPECIAL FEATURES

- Supports still and video images
- LED backlight LCD
- USB interface for low power consumption
