

MEMBERSHIP VALUE GUIDE

1 WHAT WE DO

CMAA shares the safe design of overhead cranes through specifications to advance the lifting industry and the membership.

2 HOW WE DO IT

CMAA creates resources and information covering general product information and selection, safety, and design specifications for crane builders. Our partnership with OSHA promotes the safe use of these products. Engaging the community through social media and professional articles.

3 WHY WE DO IT

As a group of leading crane manufacturers, our goals are to standardize/ promote the safe design and use of overhead cranes to benefit crane builders and the overhead lifting industry.

4

WHAT OUR MEMBERS SAY

Feedback from CMAA members that note some of the most valuable benefits of CMAA membership and participation:

"Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua."

CURRENT MEMBERS
