**The Next Wave of Latin Music Arrives with ¡KUVOLE!**

*Discover the artists shaping the genre with this celebration of culture and musical innovation.*

**Denver, CO** – KUVO JAZZ is excited to announce the second season of its acclaimed live Latin Musica Series, ¡KUVOLE! This lively series captures the rich culture of regional Latin and Latin Alternative sounds while supporting a new wave of traditional and alternative artists. By hosting performances in unconventional spaces throughout Metro Denver, ¡KUVOLE! weaves a vibrant tapestry where music and culture come together.

At its core, ¡KUVOLE! aims to showcase up-and-coming local Latin musicians, giving them a prime stage to grow their audience and connect with new fans. We invite listeners to enjoy the music, but also dive into the cultural stories and histories that inspire it.

In collaboration with Colorado businesses, ¡KUVOLE! also showcases distinctive venues that serve as a hub for musical innovation. Each performance is designed as an immersive experience, uniting audiences with both the artists and the unique spaces that encourage creative experimentation and authentic expression.

The ¡KUVOLE! Latin Musica Series is made possible through the generous support of the Bonfils-Stanton Foundation Quarterly Community Grant. Their commitment to community and culture is deeply appreciated.

¡KUVOLE! remains dedicated to supporting artists in refining their craft and amplifying their work through broadcast on KUVO 89.3 FM, online at [kuvo.org](http://kuvo.org), and unforgettable live events. We invite you to join us on this journey as we explore the evolving landscape of Latin alternative music.
