

2022 Grand Cuvée

PHILOSOPHY

With our Grand Cuvée Cabernet Sauvignon, we crafting a wine that commands attention—bold, powerful, and unapologetically expressive. This is a Cabernet with serious muscle, delivering a dense, concentrated profile with layers of intensity. The tannins are firm and structured, giving it a commanding presence and character that pushes beyond the boundaries of a classic Napa Cab. Designed to evolve beautifully with time, this wine reaches its peak after a few years in the bottle.

VINTAGE NOTES

2022 stands out as one of the most unique vintages in recent Napa Valley history. A long summer of warm days and cool nights came to a crescendo with an impressive five-day heatwave in September. The heat spell eventually gave way to more mild weather through October, allowing the grapes to develop a more refined, elegant character.

TASTING NOTES

Opening with layered boysenberry and black plum fruit notes, our 2022 Grand Cuvée is 100% Cabernet Sauvignon and shows an alluring array of semisweet chocolate, vanilla spice, and candlewax aromas. Concentrated with core fruit yet lively in texture, the palate evolves with great detail and finishes with supple chocolatey, black truffle tannins.
