

## 2022 Cabernet Sauvignon

### PHILOSOPHY

The signature of our Cabernet Sauvignon is dynamism. With a strikingly intense nose and explosive interplay of flavors, this is a wine that has far too much fun for how seriously good it is. Our philosophy for this Cabernet is rooted in versatility; there is something for everyone and every occasion in each bottle. We intentionally blend and age this wine to ensure it is ready to be enjoyed both upon release and for years to come.

### VINTAGE NOTES

2022 stands out as one of the most unique vintages in recent Napa Valley history. A long summer of warm days and cool nights came to a crescendo with an impressive five-day heatwave in September. The heat spell eventually gave way to more mild weather through October, allowing the grapes to develop a more refined, elegant character.
