

Clinical Social Worker – LCSW Momentous School-Year Round

Reports to: Principal, Momentous School, (with dotted line to Director of Mental Health Services)

Status: Full -Time, Salary, Exempt

Momentous Institute has been working to build and repair social emotional health since 1920. The organization serves over 5,500 children and family members directly each year through mental health programs and the nationally acclaimed Momentous School. In addition to direct work with children and families, Momentous Institute invests in research and training in an effort to have quality services extended to far more children than could ever be served directly.

Our Mission: We are dedicated to innovative mental health services, education, and professional training to strengthen children, families, and communities.

Our Vision: A world of emotionally thriving people reaching their full potential

Role: This school based LCSW position works with the school leadership team to provide and coordinate mental health and wellness services to Momentous School’s students, families, and teachers. This position strengthens Momentous Institute’s commitment to education and mental health by expanding school-based prevention and intervention programs. The successful candidate will be a bilingual, (English/Spanish), licensed clinical social worker who is experienced in trauma-informed care in an elementary school setting.

Essential duties and responsibilities:

- Identify and respond to the mental health and wellness needs of students, families, and teachers by:
 - Fostering student pro-social skills
 - Parent consultations to screen for child mental health needs, provide psychoeducation and support with referrals.
 - Supervising and facilitating the referral process for students receiving mental health services and/or testing within or outside of Momentous Institute
 - Developing classroom-based intervention plans in collaboration with teachers, parents, and members of Momentous Institute’s clinical team.
 - Providing direct therapy services to a small caseload of students
 - Participating in and supporting Momentous School’s parent education classes
 - Creating and offering new teacher-focused mental health initiatives and reflective spaces
 - Offering teacher professional development on prioritized topics including mental health, trauma, and adult well-being
- Lead Momentous School’s Strategic Intervention Management (SIM) process, uniting teachers, and clinicians in developing strategies to strengthen students mental and social emotional health.
- Support teachers with implementation of social, emotional, or behavioral interventions developed during SIM process, by Momentous’ therapists or outside providers.
- Work with School Leadership and Momentous Institute’s Associate Training Director to build a practicum training program for masters students pursuing a MSW who are interested in school based mental health interventions.
- Stay up to date on current trends and innovations in school-based mental health, so that new ideas in wellness can be intentionally cultivated and piloted at Momentous School.

- Attend Mental Health Services staff meetings, clinical training, and case consultations to facilitate professional development and strengthen internal collaboration.

Knowledge, Skills, and Abilities:

Behavioral change theories and practices including early intervention positive behavior supports; tiered intervention practices; brief counseling techniques and crisis intervention; behavioral and education- based mental health needs of students including mental health disorders; special education programs and the IEP process; mental health and wellness related community and state resources; health regulations and ethics related to school-based mental health services including Health Insurance Portability and Accountability Act (HIPAA) and Family Educational Rights and Privacy Act (FERPA); effective staff development methods; ability to mine for innovation

Educational and Experience Requirements:

- Master's degree from accredited college or university
- Valid Texas license as a Licensed Clinical Social Worker (LCSW) by the Texas State Board
- 3-5 years of experience providing mental health services in an elementary school
- Experience working with and incorporating caregivers in treatment.
- Excellent verbal and written communication skills in both English and Spanish
- Strong intra- and interpersonal competencies, including:
 - Deep respect for diversity of cultures and perspectives among students and families, and among fellow staff and stakeholders
 - Ability to work independently and as a team player
 - Problem-solving and creative mindset
 - Optimistic and positive style
