

MOMENTOUS INSTITUTE

Est. by Salesmanship Club of Dallas

Doctoral Level Psychology Student Training Opportunities

Momentous Institute

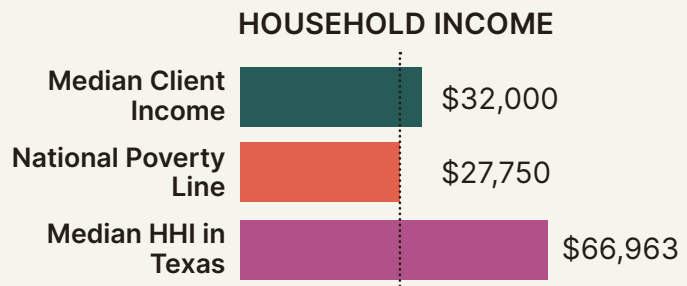

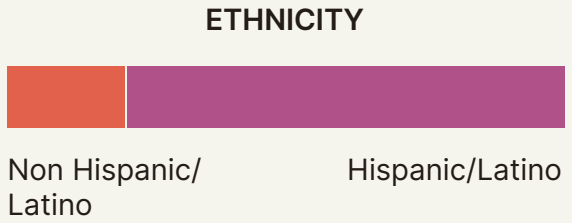

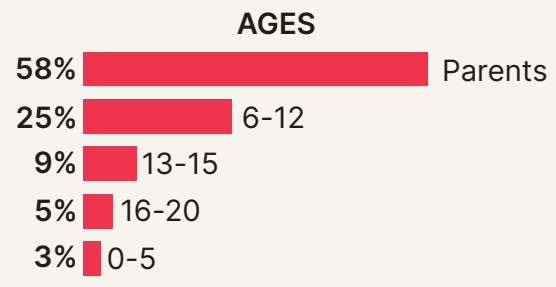

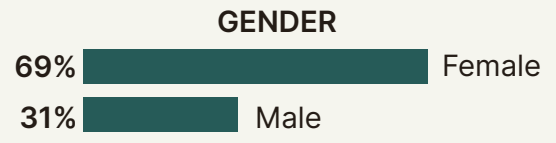

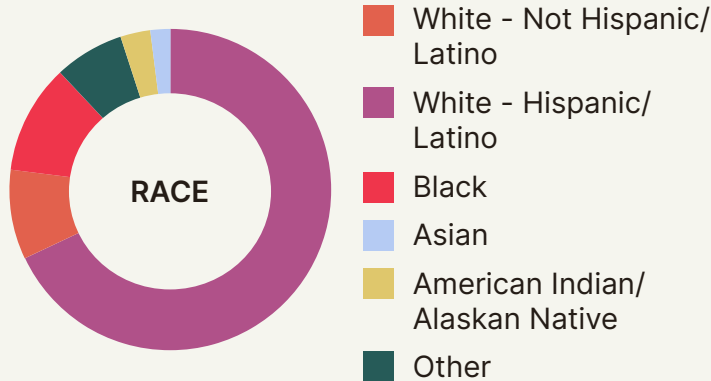

- Momentous Institute has been building and repairing social emotional health for over 90 years. The organization serves 6,000 kids and families each year through mental health programs and education.
- **The clinical training opportunities are housed in the Therapeutic Services department.** Through this department, Momentous Institute provides therapy, psychological testing, parent education, and other mental health and social services to families with children.
- Therapeutic services are primarily offered through three areas of direct service: 1) Therapy, including play, individual, couple, family, and group modalities, Early childhood assessments, 2) Huddle Up, a therapeutic afterschool and summer program serving youth ages 10 to 14 and their families, and 3) Launch, an early childhood therapeutic program that serves children, ages 3-5 years, with major emotional dysregulation.

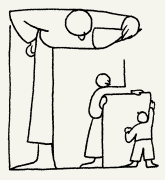

Clinical Opportunities

- Opportunities available for Doctoral level psychology students pursuing degrees in psychology.
- Exposure to a variety of direct training opportunities including individual and family, early childhood assessments, and intensive therapeutic group programs with children, adolescents and families.
- Weekly supervision from a Licensed psychologist, including opportunities for live supervision, videotaped, and co-therapy. Also, the ability to collaborate with talented and diverse team of clinicians including RPTs, LMFTs, LPs, LCSWs and LPCs.
